

THE MEMBERSHIP DIRECTORY

Every year, the Chamber publishes Swed-Cham's Membership Directory. It contains all of the SwedCham Members' profiles and is delivered to all our members as well as to local institutions.

Being one of the largest European Chambers in Hong Kong, advertising in the directory is a way to position your company and reach 530+ executives and corporations in Hong Kong & Sweden.

You can receive even more exposure through advertising on the online-version of the directory.
